

# Thanet Extension Offshore Wind Farm

Interested in the offshore wind sector?

Vattenfall has a pipeline of almost 4GW of projects in the UK. Construction, On & Offshore works, health and safety, security, transport, Operation & Maintenance – there are many and varied opportunities available to companies.

Join us at a supplier event to find out more about the opportunities, and meet our procurement team.

When: Thursday, 29th November at 4pm

Where: The Garden Suite, Ashford international Hotel

Vattenfall will be working in partnership with Kent County Council, and the reception is part of the Greater South East Offshore Wind B2B event. We will also have a stand at this event during the day for those who cannot make the evening.

## At the event you can find out:

- More on our approach to contracting
- Requirements to compete for works
- More details on the specific types of works
- Meet other suppliers and contractors

You will also be able to register your early interest in future opportunities.

We have limited spaces so please register at <https://inn2powerb2bkent.b2match.io/> You will also need to register here if you wish to attend the daytime B2B event. (Refreshments will be provided).
