

INVITATION TO MEET THE TEAM

COMMUNITY INFORMATION DAYS **Clashindarroch II Wind Farm Proposal**

Exploring the wind energy potential

We are in the early stages of exploring the potential of an additional 16 turbines next to Clashindarroch Wind Farm near Huntly and invite you to come along to one of our information days to meet the team and find out more.

Our Community Information days will give you the opportunity to find out more about the proposal, understand and influence our research and assessment work, and discuss the ideas and important issues for you.

For more information contact Joanne Hutchinson:
